What we've been learning recently

English – We have been reading the story of The Mousehole Cat, using this to help us develop our descriptive language. The children have been very creative with their vocabulary choices and we are now working to put all of our skills together to retell the story. If you would like to share the story together, it can be found using the following link: [The Mousehole Cat \(1994\) \(1080p50 remaster\)](#)

Maths – We have been exploring column addition and subtraction with and without exchanging firstly, by using manipulatives (Base 10) followed by pictorial methods. We are just starting to use this method by writing numbers (abstract form).

Wider Curriculum – In Science, we have been learning about what animals (including humans) need to survive and thrive which includes looking at the importance of a balanced diet and good hygiene (the picture of the finger above helped us to learn about germs and how they spread). In RE, we have just started exploring what it is like to be Jewish.

Over the next fortnight we will be...

- Writing the story of The Mousehole Cat.
- Starting a new maths learning journey focusing on shape.
- Learning more about animals, including humans.
- Continuing to explore what it is like to be Jewish.
- Learning songs and practising lines for our Christmas Performance!

Over the next fortnight we will be...

2B - Sarah Jayne Hill

Important Notices

Home Learning – This will be given to children on a Monday and will be linked to the phonics learning for that week. We appreciate your support in ensuring this is completed wherever possible.

Christmas Performance – Your child should have provided you with details of the costume required and their lines. If you have any problems, please speak to a member of the team who will be happy to help.

Shining Stars

Congratulations to our Shining Stars from the last two weeks for demonstrating our school values.

2B – Beau, Percy, Bodhi, Oliver

2W – Milo, Freya, Arthur, Ella
