

# Year 4 News

## 22<sup>nd</sup> November 2024

### What we've been learning recently

**English** – Over the last two weeks, Year 4 have been using the exciting picture story “Leon and the Place Between” as a stimulus for writing about their own imaginary worlds. They have created a story map to plan out their ideas and generate lots of ambitious vocabulary. They are now writing up their stories using their best handwriting.

**Maths** – Multiplication and division has been the focus in Maths this half term. The children have investigated and made links between the 3, 6 and 9 times table and are becoming more confident with their recall of the 7, 11 and 12 times tables.

**Wider Curriculum** – The focus question for Geography this term is “Do rainforests need our help?”. The children have learnt where in the world rainforests can be found and can now describe the diverse layers of the rainforest. In D&T, the children have been excellent “Keep Going Koala’s” and persevered with their sewing skills to create a book cover. Well done Year 4!

### Over the next fortnight we will be...

- Learning about Area and Perimeter in Maths.
- Writing a persuasive letter all about deforestation in English.
- Continuing our learning about Electricity in Science, including how to draw a circuit diagram.
- Going on a trip to Treraven Woodlands, surveying members of the public and analysing our findings.

### Important Notices

#### PE Kit

A reminder that our PE day is on Monday. Please ensure your child wears their full PE kit on this day.

#### Treraven woodlands trip: 4<sup>th</sup> December 2024

Are there any parents who would be willing to come along as a volunteer? Please get in touch ASAP if so! (Must be DBS checked).

### Contact details of the Year 4 team

#### 4B – Janet Keat
