

# Year 4 News

## 13th February 2025

### What we've been learning recently

**English** – This week in English, Year 4 have finished writing newspaper reports about the events of 793AD when the Vikings invaded Lindisfarne. They have worked hard on making their writing sound like real newspaper reports by using formal language and including the 5Ws (Who, When, Where, What, Why)

**Maths** – Year 4 have finished their Multiplication and Division learning journey and can now apply a range of formal and informal methods to solve calculations. They have really impressed us with their keep-going-koala attitude in maths this term. Well done Year 4!

**Wider Curriculum** – A creative end to term, with the Year 4s finishing off their Viking Sculptures in Art. They have created 3D sculptures using modelling wire and fabric. They also enjoyed their day of learning about internet safety and have taken part in some lively discussions around the pros and cons of technology.

### Over the next fortnight we will be...

#### HOME LEARNING OVER THE HOLIDAYS (and into next term!)

- Reading (with an adult please and as often as you can). Lots of children are now coming in excitedly telling us what they have read at home. Keep on encouraging this and ask your child about the 'Golden Book' challenges!
- TTRS and/or Mathsframe - Please encourage your child to practice their times tables as much as possible between now and the Year 4 Multiplication Check (June)
